Waarom SSK uniformen?

In Nederland worden door verscheidene leveranciers uniformen aangeboden en hoewel alle leveranciers van alles beloven, is SSK degene die de beloftes ook echt nakomt.

Doet Uw huidige leverancier dat ook en heeft hij vergelijkbare scherpe prijzen? Wellicht is verder lezen van deze catalogus dan niet nodig.....

Toch, is dat niet zo, dan is kiezen voor SSK uniformen wellicht een goede optie, wij komen na wat we beloven.

Wie spelen er in SSK uniformen in Nederland?

Alle nationale teams spelen in SSK uniformen, van de landelijk spelende honkbalteams is dat 70%, van de landelijk spelende softbalteams is dat 75%. Uiteraard is daar een reden voor

Meerdere nationale teams naast Nederland spelen in Europa in SSK uniformen, België, Tsjechië, Rusland, Noorwegen, Zweden, Kroatië, Denemarken, Ierland, Griekenland

Het enorme voordeel van SSK is het eigen atelier, daardoor is er geen afhankelijkheid van (veel grotere) Amerikaanse bedrijven voor wie de Europese markt nauwelijks telt. Europese bestellingen komen onderop de stapel en vaak levert dat zeer lange levertijden op of zijn (kleine) nabestellingen niet mogelijk (hoewel de beloftes vaak anders doen vermoeden). Dat probleem kent SSK gelukkig niet.

SSK uniformen zijn in de vergelijkbare prijsklasse kwalitatief beter dan andere merken en is bijvoorbeeld de kwaliteit van de PA GO nylon broek ongeëvenaard.

Ook prijstechnisch is SSK in het voordeel, (Amerikaanse) groothandels die levertijd en marge toevoegen kennen ze niet, de textiel gaat rechtstreeks van de Amerikaanse fabriek naar het atelier en vandaar naar de klant, een kortere weg is er niet.

Biefstukken of speklappen, ze hebben een andere prijs....

Prijs in onlosmakelijk verbonden met kwaliteit, bij SSK krijgt U de beste verhouding, neemt U gerust een uniform van onze concurrenten mee en vergelijk die in de showroom met SSK uniformen en vergelijk dan pas de prijzen !!

Belettering

Ook de belettering is voor 100% in eigen hand, ontwerpen doen we in onze eigen studio, onze moderne lasercutters produceren de logo's en nummers welke in ons eigen atelier worden opgestikt of binnen ons eigen bedrijf worden bedrukt.

U heeft nog vragen ? Mail ons of, kom eens langs in onze showroom, U kunt dan met eigen ogen onze kleding zien en, wat nog belangrijker is, voelen wat de kwaliteit van de gebruikte textiel is.

All logos are stitched on the jersey with a special zigzag stich instead of a straight stich for a professional look and to make sure the logo will never come of. Thanks to SSK Europe the special logo burning/cutting process, the logos will not raffle on the edge. So after using no loose wires will show later. This gives the jersey a long life even after intensive wearing and washing.
